

5th Grade Class

Mrs. Aiza Prince

About The Teacher:

I have been teaching for an exciting and wonderful 19 years. I have taught students in first grade, fifth grade, ESOL elementary (all grades), 11th grade high school and college level students. My husband and I have two wonderful sons, Mitchell and Isaac. Mitchell is in Glades Middle School and Isaac attends Snapper Creek Elementary.

Some of my favorite things to do are reading, biking, exercising, and baking delicious desserts for my family and friends. During the summer, my family and I love to spend long days searching for sea glass at Magnolia Beach in Mass.

I feel so lucky to be in a profession where I get to enjoy and marvel at the young, creative minds of children. It is truly a blessing.

Mission For The Class:

In Fifth grade all students need to become responsible and contributing citizens. I will provide a secure and positive environment to stimulate intellectual development, enhance personal qualities and foster respect for individual differences. As part of our school mission to develop the whole child, we are equally dedicated to encouraging creative endeavors, guiding students towards personal and emotional fulfillment, and providing health awareness for lifetime fitness.
